Easter Holiday Club

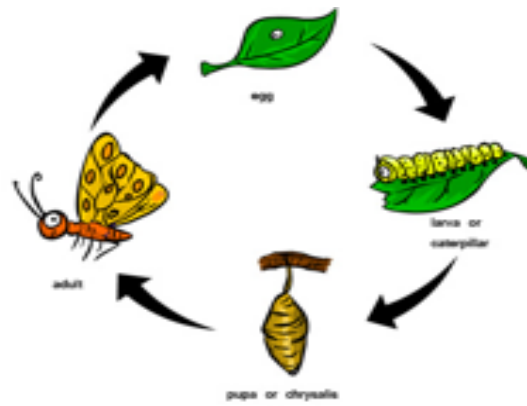

We still have places available during the Easter holidays.

Remember:

- The club is open to all children aged 4-11 years
- Children don't need to attend Woodhouse or term time SOS
- Your children's friends are very welcome
- You can book a half day session (07.15 – 12.45hrs or 12.45 – 17.45 hrs)

Let us keep your child entertained whilst you catch up on work, shopping or that never ending 'to do' list

Metamorphosis in action

After the holidays the children will be exploring the life cycle of a butterfly. The children will be able to watch and learn as **real eggs** develop into **larva**, build a **chrysalis** and emerge as beautiful **butterflies**.

Coming soon...

We always welcome your ideas and suggestions and at the AGM a parent Tim, asked about introducing recycling at the setting. We think this is a fantastic idea and something we are very keen to do.

Over the next few weeks the children will be looking at:

- The **impact** of modern life on the environment
- What **can** and **can't** be recycled
- What can be **made** from recycled materials
- Things we can all **do** to make our **planet greener**.

We would also like to take this opportunity to thank Tim for his kind donation of plastic tubes and pipes for our water play arearecycling made fun!!!

Thank you to all the children for making delicious buns and to the parents for helping us raise **£18.95** for this great cause.

If you would like to discuss anything in the newsletter or would like to have something included then please contact us.
