Brighthouse SOS Newsletter

Meeting

We were pleased to see so many of you at the members meeting on the 15th February. The numbers who attended and the 78% response rate to the Survey Monkey clearly indicates the importance of wrap around care to you and your family.

Many of the ideas and suggestions made on the night are being investigated further and we will continue to keep you advised on developments.

We would like to thank Bradley Wood for providing the venue and for making us feel so welcome.

Committee

Sadly Alastair Baird has stepped down from the Committee. We would like to thank him for his time, contribution and commitment. We wish Alastair and his family well, and thank him once again for all he has done for the children and setting.

Staff

We are pleased to welcome Serena, our new play worker to SOS. Serena attended SOS as a child so not surprisingly she quickly settled in with both the children and staff.

*February
Activities*

During February the children enjoyed celebrating Chinese New Year, eating yummy pancakes and creating lovely Valentines crafts and a display.

It's been a very busy holiday club and with the weather getting warmer this week the children have had more opportunity to play outside.

If you have any unwanted plants or seeds you'd be happy to donate in time for Spring then please pass them onto a member of staff, thank you.

*Identifying
belongings*

Please could we ask items coming into SOS are labelled with a name or initials. Belongings such as hats, gloves and match attack tins are getting lost.

*Personal
information*

Has your contact information or your child's medical history changed in the last 12 months? If so, it is vitally important we update your record. Please either email us or speak to a member of staff next time you visit.

Contact

If you would like to discuss anything in the newsletter, or if you wish to have something included then please don't hesitate to contact us.
